MEETING DATE: MARCH 31, 2020

REQUEST FOR DECISION - TO COUNCIL

SUBJECT

PUBLIC WORKS SURFACED ROADS WINTER MAINTENANCE OPERATIONS PLAN – MOTION REQUIRED

RECOMMENDATION

THAT the County of Vermilion River approve the Public Works Surfaced Roads Winter Maintenance Operations Plan.

DETAILS

Background: The Public Works Department has prepared a Surfaced Roads Winter Maintenance Operations Plan. This plan establishes guidelines and sets out the procedural framework for the management of snow/ice and the maintenance of the surfaced road network during the winter season. The County of Vermilion River endeavors to continuously improve on the effective delivery of winter maintenance. As such, this plan is meant to be dynamic (strategic, yet flexible) so as to allow the County to continuously refine it and evaluate and phase in any changes, new approaches, and new technologies.

Discussion: The Public Works Surfaced Roads Winter Maintenance Plan was presented to the March 25, 2020 Policy & Priorities Committee Meeting.

Desired Outcome (s): THAT the County of Vermilion River approve the Public Works Surfaced Roads Winter Maintenance Operations Plan.

THAT the County of Vermilion River disapprove the Public Works Surfaced Roads Winter Maintenance Operations Plan.
IMPLICATIONS OF RECOMMENDATION

Financial: All activities for winter maintenance are included in the 2020 Public Works Operations Budget.

Communication Required: The plan will be shared with staff, and posted to our website for Public Information upon approval.

Implementation: The plan will be implemented upon approval.
