05 Feb 2025 01:12:52 PM	Vanda CREWS called to see if they are done clearing the roads in her area, South of HWY 619, 1/2 mile West of RR 40 in the NW 24-48-4 W4M. Her driveway is blown in bad and she doesn't think she can get out.	Karri Shurnaik 19 Feb 2025 08:58:26 AM Kevin GRAHAM on February 18, 2025: Complete Karri Shurnaik 05 Feb 2025 01:19:02 PM Is enrolled in the snow removal program	Vanda CREWS	Public Works	Completed	2	COM - 15171
07 Feb 2025 11:26:18 AM	Fran SCHAMULEFFEL from the Waste Commission called. The yard in Kitscoty is drifted in. The trucks could only dump 2 bins. Please send a bobcat or a front end loader over to remove the snow.	Karri Shurnaik 19 Feb 2025 08:53:10 AM Kevin GRAHAM on February 18, 2025: Cleaned up. Complete	Fran SCHAMULEFFEL from the Waste Commission	Public Works	Completed	2	COM - 15178
11 Feb 2025 08:48:33 AM	Lisa DEVOS called. She has been very happy with the plow guy up until now. He did not show up on their road TWP 490 and RR 50 yesterday.	Karri Shurnaik 19 Feb 2025 08:56:24 AM Kevin GRAHAM on February 18, 2025: Complete	Lisa DEVOS	Public Works	Completed	2	COM - 15185
11 Feb 2025 11:45:37 AM	Brent FIFIELD stopped in at the Reception Trailer. He has a complaint about graders on TWP 510. His normal grader driver doesn't leave snow in front of his driveway. He has a pile of snow blocking his driveway and he doesn't have any equipment to remove it.	Karri Shurnaik 19 Feb 2025 08:45:14 AM Kevin GRAHAM on February 18, 2025: Snow got moved. Complete	Brent FIFIELD	Public Works	Completed	2	COM - 15187
13 Feb 2025 08:36:41 AM	Email received from Allyson SLACK via Report a Concern. Describe Your Concern (provide as much detail as possible): I drive school bus and some of this road has had snow blown across causing drifts.	Karri Shurnaik 19 Feb 2025 08:46:06 AM Kevin GRAHAM on February 18, 2025: Complete	Allyson SLACK	Public Works	Completed	2	COM - 15190

10 Feb 2025 10:00:41 AM	Brian ROGAN called to report that the light on top of the transmission tower on Highway 41 south SW 6-48-6-W4 has been out for the past couple months.	Jolene Levesque 11 Feb 2025 11:27:35 AM February 11, 2025 - Contactor contacted to repair light. Called Mr. Rogan and left a message advising that his concern is being addressed.	Brian ROGAN	Fire/Emergency/Disaster	In Progress	3	COM - 15180
13 Feb 2025 11:12:51 AM	Ryan GIBBSON called. He would like to get some sand on an intersection. RR 62 and HWY 619 they are hauling with semis and are spinning out on the North side of the Highway. Both sides could use some sand.	Karri Shurnaik 19 Feb 2025 08:51:10 AM Kevin GRAHAM on February 18, 2025: Complete	Ryan GIBBSON	Public Works	Completed	3	COM - 15193
14 Feb 2025 12:14:42 PM	Murray LAKE called to advise the yield sign that should be at TWP 480 and RR 74 by the mailboxes is not there, it is extremely dangerous right now as with the amount of snow it is a white out conditions and makes the intersection blind. There is also another spot that needs marking on TWP 480 and RR 64 since the trees were taken out it has also become a brutal white out corner. They would like something done immediately. Please call to further discuss.	Karri Shurnaik 19 Feb 2025 09:22:40 AM Kevin GRAHAM on February 18, 2025: Temporarily put up.	Murray LAKE	Public Works	In Progress	3	COM - 15196

05 Feb 2025 02:11:38 PM	Wayne RENDLE called to advise that RR 14 north of TWP 512 is very plugged. He is concerned about getting stuck.	Karri Shurnaik 19 Feb 2025 08:58:52 AM Kevin GRAHAM on February 18, 2025: Plowed. Complete	Wayne RENDLE	Public Works	Completed	5	COM - 15172
06 Feb 2025 09:11:12 AM	Chad from Lloydminster Co-op Fuel Center called. He is wondering if we could sand the intersection at RR 14 and Auto Road in Reinhart . It is very icy, it is polished ice. Last night and a truck couldn't turn and went into the ditch. Turning off the highway is icy as well. He's not sure if the County can address that as well.	Karri Shurnaik 19 Feb 2025 08:59:33 AM Kevin GRAHAM on February 18, 2025: Road was salted and sanded. Complete	Chad from Lloydminster Co-op Fuel Center	Public Works	Completed	5	COM - 15174
06 Feb 2025 09:59:29 AM	Email received from Cliff MONNICH via Report a Concern. Describe Your Concern (provide as much detail as possible): Road drifted with snow. Only a goats trail on RR30 north of TWP 512. Needs ploughed so we can get into our property.	Karri Shurnaik 19 Feb 2025 09:00:30 AM Kevin GRAHAM on February 18, 2025: Complete, oil field did it.	Cliff MONNICH	Public Works	Completed	5	COM - 15175
06 Feb 2025 04:10:20 PM	James FOLEY called to see if the County could open up RR 12 North of TWP 520 to the Alcurve water well. RR 12 South of TWP 522 to the water well is clear. This would cut 4 miles off their route. Please call him and let him know if this can be done.	Karri Shurnaik 06 Feb 2025 04:14:34 PM Back Road Div 5	James FOLEY	Public Works	Active	5	COM - 15176
07 Feb 2025 12:27:49 PM	Liz works at Agri City. She is calling to see if the County could put some gravel or sand on RR 15 South of HWY 16. It's tough to get traction to get going onto the highway.	Karri Shurnaik 19 Feb 2025 08:53:34 AM Kevin GRAHAM on February 18, 2025: Complete	Liz at Ari City	Public Works	Completed	5	COM - 15179

12 Feb 2025 08:18:50 AM	Email received from Allan PARR via Report a Concern. Describe Your Concern (provide as much detail as possible): We have truck hauling grain on range road 41 between highway 45 and two rd 542. Road is iced up so slick trucks are having trouble staying on road. Especially if they have to meet another vehicle. Is there a chance that we could get grader to run scarefires down road to give some grip on surface.	Karri Shurnaik 19 Feb 2025 08:46:56 AM Kevin GRAHAM on February 18, 2025: Road was sanded. Complete	Allan PARR	Public Works	Completed	7	COM - 15189
13 Feb 2025 09:58:40 AM	Mark with E360 called. One of his truck drivers is stuck on a road. He is North of TWP 540 on RR 52.	Karri Shurnaik 19 Feb 2025 08:50:03 AM Kevin GRAHAM on February 18, 2025: Complete Karri Shurnaik 13 Feb 2025 10:06:09 AM Back Road Div 7 The truck driver was stopped by a farmer and was told that he wasn't allowed to be on the road he was on and to go take RR 52.	Mark with E360	Public Works	Completed	7	COM - 15191
