04 Feb 2025 11:24:44 AM	Glenda WOHLGEMUTH called about an ongoing problem she has with pigeons living in the vacant house next door. There are about a million pigeons living there and they are pooping all over her house and shingles. This has been going on for over a year and a half.		Agriculture/Environment	Active	COM - 15167

10 Jul 2024 10:17:07 AM	Vasyl KVITKA was in the office to report there may be a collapsed culvert by his property at 54 Deerfoot Estate. He was out walking and his foot went down about 20 inches or so and is now a large hole. He has but a shovel and a tire over the spot to mark the spot. He would like someone to go take a look as soon as possible as he is concerned about the drainage backing up if it is collapsed.	<p>Karri Shurnaik 07 Jan 2025 01:50:00 PM January 7, 2025, Right-of-Way Agreement has been received. The culvert is scheduled to be replaced in the Spring.</p> <p>Karri Shurnaik 26 Sep 2024 09:45:23 AM September 26, 2024: Vasyl KVITKA stopped in at the reception trailer and I spoke with him on the phone and explained that P&C needs to obtain easement before any work can be done. He will call Roger on Monday.</p> <p>Karri Shurnaik 10 Sep 2024 11:50:03 AM Ben MCPHEE on September 10, 2024: P&C have to obtain easement. Once this has ben completed, the County can replace the culvert.</p> <p>Karri Shurnaik 22 Jul 2024 12:33:10 PM Kevin GRAHAM on July 22, 2024: On the list.</p>	Public Works	In Progress	COM - 14630

31 Oct 2024 01:44:19 PM	<p>Email received from Councillor HRYCIUK on behalf of HINES, BALOW, KOCHAN: Had a request from landowners pre planning for 2025. Hines/Barlow/Kochan RR72 south of Twp 481. We put some larger fill in the bad spots a few years ago which made a big difference for them. This year there is about a half dozen holes that could use some preventative help before they get larger and hopefully Time for grader to give a good smooth out.</p> <p>RR72 1 mile south of 481, then also 1 mile east and 1 mile west of that intersection</p>	<p>Karri Shurnaik 13 Nov 2024 09:41:53 AM Ben MCPHEE on November 13, 2024: 1 1/2" gravel to be used. To be completed by December weather permitting.</p> <p>Karri Shurnaik 31 Oct 2024 01:50:10 PM Div 3 Backroad</p>	Public Works	In Progress	COM - 14923
09 Dec 2024 10:21:34 AM	<p>Brad VETTER from Cenovus called about the intersection of RR 70 and TWP 520 on the North West side. The trees are interfering with the visibility and they have to go onto the road to see if there is oncoming traffic. Please call him back and let him know what can be done.</p>	<p>Karri Shurnaik 08 Jan 2025 10:12:30 AM Kevin GRAHAM on January 6, 2025: Let Brad know that this is on the list for mulching.</p>	Public Works	In Progress	COM - 15003
11 Dec 2024 11:04:39 AM	<p>David INGE called. He heard that the County was mulching in ditches. He would like some work done along TWP 504 from RR 20 to RR 13. They have to move equipment down the road in Spring and Fall and the trees are hanging over top of the road surfaces. Please call him back and let him know.</p>	<p>Karri Shurnaik 08 Jan 2025 10:17:32 AM Kevin GRAHAM on January 8, 2025: On the list.</p>	Public Works	In Progress	COM - 15024
