

Thorpe Recovery Centre

50th Anniversary Celebration

October 25, 2025 | Rolling Green Fairways

Lloydminster, AB

Invitation Letter – To Our Sponsors

We are excited to announce that Thorpe Recovery Centre is celebrating a significant milestone – 50 years of providing quality addiction treatment and mental health support to the community of Lloydminster and surrounding areas. To mark this momentous occasion, we will be hosting a special event, and we would like to extend an invitation for your organization to partner with us as a sponsor to help make this event a resounding success.

Founded on October 4, 1975, through the collaborative efforts of the Lloydminster Hospital Board, the provinces of Alberta and Saskatchewan, and local Alcoholics Anonymous advocates like Slim Thorpe and Ron Harris Sr., the Walter A. "Slim" Thorpe Recovery Centre opened as a humble two-bed detoxification unit. Over the past five decades, we have grown into an 81-bed facility that provides holistic addiction treatment for both substance and process addictions.

As an organization, we serve not only the residents of Lloydminster but also the many small towns and rural communities surrounding the area. Addiction and mental health struggles do not discriminate, and we see clients from all walks of life who are seeking hope and healing. The importance of our work cannot be overstated, and we are proud to have made a positive impact in so many lives.

We would like to invite your company to join us in supporting this event through sponsorship. Mental health and addiction are prevalent issues in every community, and as a sponsor, your company will send a powerful message to your employees and the wider community that you recognize and support mental health struggles. Supporting Thorpe Recovery Centre helps create a safe, approachable environment for employees who may be facing these challenges, reassuring them that their well-being is valued. It also helps to break down the stigma surrounding addiction and mental health, encouraging individuals to seek help rather than suffer in silence.

Through your sponsorship, you'll be helping to ensure the continued success of Thorpe Recovery Centre and its vital programs. Your support not only aids in the growth of our services but also enhances your reputation as an organization that cares deeply about the health and welfare of those in your community. We believe that when businesses and organizations come together to support such causes, we can collectively foster a culture of compassion and understanding.

We would love the opportunity to discuss potential sponsorship opportunities and how we can work together to make this celebration truly special. Thank you for considering this opportunity to support our mission, and we look forward to partnering with you to celebrate 50 years of service.

Please feel free to contact Carrie directly at 780-808-6637 or email Carrie at carrieb@thorperecoverycentre.org if you have any questions or would like to discuss sponsorship details further.
